

Since 1989, educational, entertaining programs that inspire people of all ages.

## The Journey Starts Now...

### Don't Forget Your Map!

Bad things happen to good people. My two high school sons discovered this on their trip to Yosemite National Park. Lost overnight in the wilderness near Half Dome on April Fool's Day ... this is their story. A story of having a plan go wrong ... of making a new plan to save their lives. Discover survival tips for Yosemite,

discover survival tips for your life!

10% of all fees will be donated to the Yosemite Mountain Safety Fund

"FANTASTIC!"  
Ottawa, IL

## THE FIRST FLUTE SONGS & STORIES OF THE TRIBES

Listen to Kokopelli's flute! The first flute of North America will be discovered by all who listen! Native American tribal stories are woven with songs played on different tribal flutes.

**Variation:** *Stories of the Tribes Met by Lewis & Clark*

## THE FIRST FLUTE STORIES FROM AROUND THE WORLD

Bone flutes, clay flutes, bamboo flutes, wooden flutes, metal flutes, shell flutes, PVC flutes! Flutes from around the world are played on our journey. Stories from many cultures are shared.

"THANK YOU  
for performing  
your Earthkeepers  
program at Prairie  
Trails Library...I'm  
still receiving rave  
reviews about  
your show!  
Jackie Stork

## EARTHKEEPERS NATIVE AMERICAN LEGENDS & THE ENVIRONMENT

Join the "Earthkeeper" and discover the secrets of the magical game bag while learning about the environment. Discover how the great web of life encircles the plants, the animals, and the people. Native American legends will inspire you to love, respect, and care for the Earth.

"... your  
enthusiasm is  
contagious!"

"Great fun  
yet fact filled"  
A.C.A.
